Driving on Wet Roads: Rain, Flooding, & Staying Safe

Wet roads are a factor in a huge number of **car accidents** every year, and unfortunately, the risks go far beyond a simple skid. That's particularly true when **flooding is involved**.

This July, **six inches of rain fell in under 2.5 hours**, causing **severe flooding in parts of Union and Somerset Counties**.

What Our Clients Are Saying About Us!

★★★★★

"I was honored to have Maggs & McDermott take my case on due to a massive dog bite which took almost a 3rd of my lip. They explained the process in detail to me. They were honest. The 2 of them are really a great team, they compliment each other well. Each have their own strengths and use it to their ability. I would not trust anyone else, to be honest, for an injury case.."
